Two Sallors Burned While in a Drunken Stupor.

INFRCIAL TO THE STREETS WORLD.

Quenco, July 17. - A fire involving the loss of seven lives occurred in St. Joseph street before daylight this morning.

The dead are Pierre Miranda, a French Canadian, his wife and three children, and two sailors from the schooner Mary Jane, of Halifax.

The fire occurred at the hotel owned by Delemare & Onelett, and was discovered at about 2 o'clock.

Though the fire brigade arrived promptly and did creditable work in saving other property, the hotel was entirely

Another armed vessel, the Comus, has left Halifax to reinforce the fleet in Newndland waters.

The New Municipal Building Commission Hard at Work.

The Committee appointed by the new Municipal Building Commission to select a site for the proposed structure has bee hard at work preparing and studying plan Comptroller Myers, Register Fi zgerald and County Clerk Reilly constitute the Committee and they propose that their work

mittee and they propose that their work shall be to some purpose, and that a site shall be chosen and a build ng erected.

The Committee is confined in its choice of a site to land contiguous to the City Hall Park, and its labors are rendered very difficult because of this restriction.

To provide a suitable location it may be necessary to close some streets and open others, and in fact change the geography of that portion of the city. The Committee is even considering the advisability of such action.

action.

The site most favorably considered covers an area of 60,000 square feet and is particularly well sittated to give the architects who may contend for the honor of preparing plans for the new building every scope for the exercise of all their ability.

"We are determined that there shall be no bitch this time," said Comptroller Myers this morning.

"We are satisfied that the building must be erected outside the City Hall Park and we are going to select and purchase a site and build it.
